## EDUCATION

**Ringling College of Art and Design**, Sarasota, FL  
Major: Motion Design, May 2025; GPA: 3.81/4.0

**Bancroft School**, Worcester, MA  
High School Diploma, June 2021; GPA: 3.86/4.0

**RISD Summer Animation Course**, Providence, RI,  
Summer course in stop-motion animation

## MOTION DESIGN EXPERIENCE

**Animation Intern**, Oddfellows,  
Portland, OR, June 2024 - August 2024

- Collaborated with animators, designers, creative directors, and producers on both internal and client projects
- Assisted in iterating design elements, animating, organizing and delivering files for various projects

**Motion Graphics Animator and Editor Intern**, Votary Films,  
Worcester, MA, June 2022 - August 2022

- Created logo animations, motion graphics, and edited film projects for company clients:
- Used Adobe After Effects and Illustrator to develop multiple logo animations for various companies
- Helped develop green screen composite shots for a documentary trailer

## TEACHING EXPERIENCE

**Motion Design Tutor**, Ringling College of Art and Design,  
Sarasota, FL, August 2022 - Present

- Assist other motion designers with project, or technical issues, and provide helpful critique
- Provided a friendly environment for anyone to stop by in need of homework assistance either in person or on zoom
- Collaborated with other tutors to help improve my teaching skills

**Teaching Assistant**, Ringling College of Art and Design,  
Sarasota, FL, June 2023 - July 2023

- Assisted a motion design professor with teaching a basic After Effects class to Precollege students
- Helped students with technical skills and learn new software in a fairly fast paced class
- Ran open studio hours in the evening hours to continue helping students

**Part-time Snowboard Instructor**, Wachusett Mountain,  
Princeton, MA, January 2019 - January 2023

- Taught snowboarding to people of all ages during the winter months:
- Worked with beginner to more intermediate levels of snowboarders
- Collaborated with other instructors to better my snowboarding

## SKILLS

**Technical** - Proficient in Adobe After Effects, Dragonframe, Cinema 4D; Advanced working knowledge in Adobe Photoshop, Illustrator; Working knowledge in Nuke, Davinci Resolve; Basic knowledge in InDesign, Figma;

**Personal** - Practiced tricking/gymnastics; sailed for ten years in Opti, 420, Sunfish, and Hobie Wave sailboats; Ran cross country for seven years, track and field for three years, and was a captain for both; snowboarded for fourteen years
